INTEGRATIVE WELLNESS METAPHYSICIAN

## LIGHT | PEMF'S | FREQUENCIES & HARMONICS | VOLTAGE

**Self-Healing, Self-Love and Self-Nourishment Plant-Based Food & Supplements**

**Joya Comeaux**, plant-based, self-healing frequency medicine advocate and author of AVE MARIA, Angels Sing a Journey to Remembrance, has traveled the world working with Shamans and Divine Masters such as Don Miguel Ruiz and Sri Swami Kaleshwar in sacred pyramids and temples in Mexico, Peru, Egypt and India, mastering cosmic flow energy as a Metaphysician and emotional cleansing self-healing techniques and modalities, Joya utilizes the science and technology of Subtle Energy in the form of Frequency Medicine in her current offerings, focusing on **the Bemer for humans and horses** and **the Tesla Biocharger** devices specifically. Subtle energy is something that has been seen, and felt, by healers and energy sensitive people for thousands of years. It has been described as electromagnetic wavelengths, rates of vibration, patterns of pulsation, the dynamic infrastructure of the body. We are electric. Our bodies want to heal. Each person has unique patterns of energy that are directly related to their health and well-being. Joya offers Sessions and a Calendar of Events at Urban Wellness PHX.
